
Mastermind behind O.J.'s book is fired

Posted by dailyherald - 2006/12/16 11:27

O.J. Simpson's would-be publisher, Judith Regan, was fired Friday, her sensational, scandalous tenure at Rupert Murdoch's News Corp. ending with the tersest of announcements.

"Judith Regan's employment with HarperCollins has been terminated effective immediately," HarperCollins CEO Jane Friedman said in a statement.
