Cpt.

Thanks to you and your family for your sacrifice and service to, not only our country, but to the country of Iraq.

I agree with you completely. There are so many good things that go on in Iraq that the people here do not see. My husband served his tour in Iraq from 2004 to 2005. He wishes he could come back and help the people. Unfortunately, this is not going to be possible for him.

Please pass along to your company my thanks and appreciation. I will forever be grateful to all of our soldiers who so bravely volunteer to go into harms way to not only protect us, but other people too.

Sincerely,

GW
