
Medical knowledge raises suicide risk for doctors

Posted by WaynesWorld - 2008/05/09 10:21

This thread discusses the Content article: Medical knowledge raises suicide risk for doctors

Sad.

I'm not sure once one catches depression how applicable the verses following are, but I thought I'd post them anyway.

Old Testament

Book of Ecclesiastes (from King Solomon, the "wisest" king about 3000 years ago)

Chapter 7:

16 Do not be overrighteous,
neither be overwise-
why destroy yourself?

17 Do not be overwicked,
and do not be a fool-
why die before your time?

18 It is good to grasp the one
and not let go of the other.
The man who fears God will avoid all
extremes. (NIV)
