The older I get...the more my old heroes pass on to new adventures.

Rest in peace, Larry. Rest in peace, Bozo.

OK, This will get negative votes but remember the Mary Tyler Moore show where Chuckles the clown was killed by a rogue elephant who shelled him when he was dressed as a peanut. It is a wonderful show. Bozo would probably like to go out with people laughing.

What a sad day that more laughter has left this world. :(

Rest in Peace and JOY, Larry and BOZO....

Thanks for the many laughs.....:laugh: :laugh:
