
U.S. Is Unprepared for Possible Asteroid Strike

Posted by WaynesWorld - 2008/07/04 14:09

Re: US Is Unprepared for Possible Asteroid Strike Say Scientists

http://www.heraldextra.com/component/option,com_contentwire/task,view/id,64213/Itemid,53/

Methinks this headline stinks of war - propaganda

(a good excuse to hone the "missile defense system" our armed services operates).

=====
