This is a sad day if you know the Constitution

IV (Fourth Amendment)

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Why is this so bad?

Hatch and Bennett voted for this bill.

Bennett is up for re-election in 2010 and Hatch is up for re-election in 2012.
